

Turning potential into results

winninggroup

Construction

Our teams guarantee the highest standards across all segments – from deep foundations and monolithic structures to residential development and turnkey construction projects.

winningps

A construction holding company delivering above-ground construction projects, building reconstructions and renovations, reinforced concrete monolithic structures, and foundation works.

winningsteel

Specializes in the complete delivery of structural engineering solutions and technical drawing documentation for both the Czech and international markets.

winningestate

Focuses on residential projects delivered in premium quality.

Automotive

We build companies with sophisticated manufacturing and smart automation – in a segment where every micrometer matters. We invest in businesses with unique products, a clear vision of sustainable development, and strong optimization potential.

winningblw

A German leader in the production of precision-forged components for passenger and commercial (electric) vehicles and industrial applications.

Properties

We manage premium production facilities with above-average rental yields and strong development potential.

Vital

Connecting sustainable agriculture, modern logistics, and long-term demand for healthy nutrition. We build on the experience of leading citrus growers and fresh fruit distributors with global reach.

MADREMIA S.L.
Frutas para la vida

A traditional producer and trader of fruit and vegetables from Valencia, supplying the domestic market and 29 export destinations worldwide.

A dynamic trading company focused on the Polish fruit and vegetable market.

Leisure & Services

From gastronomy and hospitality to cultural events and fitness – we deliver experiences and high-quality services while actively seeking business synergies.

winningentertainment

Promoter of cultural, sports, and social events.

Winning spirit

We approach business with drive and flexibility. At heart, we are entrepreneurs. We make swift decisions and embrace calculated risks – that's the only way to win. We give space to strong personalities, who live and breathe their projects.

“We believe in the creativity of our people. For them we establish the appropriate environment which allows the implementation of thoughts and ideas.”

Sebastian Wagner
